THE BATTLE OF CEDAR RUN.

Bloody Engagement Between Genera Banks and Stancienti Jackson. Brilliant Mancuvering of General Jackson before the Battle.

Falul Charge by General Crawford,

Special Dispatch to the Chicago Tribuna | BATTLE-FIELD, NEAR CEDAR RUN, August via Washington, August 11 .- On Friday est an unexpected movement was made by the ombined forces of Jackson, Longstreet and Ewell, upon our advance position along the Rapidau. The evident intention of the different sections of our army at Fredericksburg, Culpepper and Medison, was to move forward upon fine turnpikes which run from each of those laces and concentrate at Orange Court House army of Virginia were to advance upon Gor denstylle, which is nine miles distant therefrom Jackson foresaw the intention and determined to prevent it. This he did by a sudden and unexpected movement across the Rapidan upon

at Culpepper, and at the same time pretended to be sending out on the flank of each of these positions a force for the purpose of surrounding and capturing them. By this means the force and Madison, believing their communication with Culpepper to be cut off, were prevented from

THE INDIANA DEMOURATIC CONdir. Wickish's Speech.

The following is said to be the sullent points of the speech of Hon. Charles A. Wickliff, of Anadmitted coward, the grossest of debauthiers, Kentucky, at the late Indiana State Democratic the most reckless spendthrift of borzowed convention :

I come here upon the invitation of your elt zens not to advocate the claims of any candidate upon the soil of Virginia. This only proves for Northern office or or any party, but to advocate the cause of our country. It is our duty to maintain the Countintion first, and settle our recounts to Countintion first, and settle our recounts to the country of 1844 and recountry of 1844 and recountr accounts afterward. To accomplish this, Ken with the Constitution and the day in their fortune, but that in addition to his share or the principles of any sectional party. It has been Miss (--- would not be an hencest, became exbut we will not spill our blood to carry out the charged by the Republican party that slavery credingly desirous to break off the match. He caused this war, and that slavery must be extinguished before we can have peace or quiet in the United States under our present Constitu. she gave to her father, who had received one by a concurrent resolution, resolved that the that he was poor and his son penniless, and he the South without justifiable cause; that we

waged it on our part to maintain the Constitution, preserve the Union, restone peace, and to protect each State. That declaration was adoptd immediately after our reverse at Bull Run We appealed to the patriotism of the people the United States to carry out their resolution of the enemy are supposed to have been killed.
About one mile from the base of the hill, the still Georgia was overtaken by the enemy's caving was overtaken by the enemy's cavingt that held out to you! (Yes, year) Did of abuse from the old man, and once more Pope Sin Georgia was overtaken by the enemy's cave not that held out to you! (Yes, yea!) Did never close until slavery was extinguished and saying, "your religion protects you." every slave emancipated I (No, no!) New we never mind my religion," said Mr. G., "strike The regiment then moved back into a cornfield, have it as the cry of the abolition party. The ahead," but no blow was struck, and Popo took the boat for the North that night, in debt a thouabolition party have swellowed the Republican party neck and heels.
